JPB Partners is pleased to announce its recent hire of Tilghman Herring, joining the Columbia, Maryland based firm as Vice President of JPB's Real Estate team. In this role, Mr. Herring will focus primarily on growing the firm's real estate holdings through strategic acquisitions within the Baltimore-Washington Metropolitan market. Mr. Herring comes to JPB with 10 years of experience in commercial real estate brokerage and capital markets.

"I was greatly attracted by the opportunity to join JPB, a well-established and highly respected firm, and help source new opportunities that will build upon their already successful real estate development and investment achievements," Mr. Herring said. "The experience and resources at JPB position us very well to execute our investment strategies and continue to create value for our stakeholders throughout the ebbs and flows of a market cycle."

Mike Kalinock, Senior Vice President of JPB Real Estate, added, "We are excited to have Tilghman join our team as we look to expand our portfolio in the Baltimore/Washington metropolitan area. Tilghman brings a combination of enthusiasm and market knowledge that immediately makes us stronger."
